

Belimed's Online Scavenger Hunt

Use the clues to find the QR codes!

- ☐ What piece of reprocessing equipment uses cavitation to aid in the removal of bioburden?
- ☐ What Belimed products are used to prepare surgical instruments for transport to Sterile Processing and before manual cleaning?
- ☐ After cleaning, you need to dry your endoscopes, what is the best product to use for this?
- ☐ Where is the Belimed US headquarters located?
- ☐ How many Belimed Webinar Series episodes are available on-demand to watch?
- ☐ What is Belimed's proprietary Enzymatic Detergent that improves the cleaning outcome of surgical instruments in all Washer/Disinfectors?
- ☐ What is the name of the connectivity and data software that Belimed offers through the cloud?
- ☐ Maintaining your sterilization equipment is critical, what 3 service plan solutions does Belimed provide?
- ☐ The SPD has a unique workflow, when your department needs a renovation, what services does Belimed's planning team offer?

Instructions:

1. Starting October 9th, scan the QR code to visit our website ([Belimed.com](https://www.belimed.com))
2. Use the clues above to search for the correct answer.
3. Once you have found the correct answer, click or scan the QR code on the page. This will take you to a submission form.
4. Enter the information requested, enter your answer, and click Submit.

The more correct answers you submit, the higher your chances are of winning a special prize package for your department! Each submission will be entered into a random drawing to be held on Monday, October 17th. Winners will be notified via the e-mail address used for submissions.

NOTE: Submissions using a personal e-mail address (i.e. Gmail, Yahoo, etc.) will be disqualified and will not be eligible for the random drawing of winners. **Only one submission per clue/question, per person will be accepted.** The Scavenger Hunt starts Sunday, October 9th at 7:00 am EDT, and ends Saturday, October 15th at 11:59 pm EDT. See Official Rules for complete details.

**Scan this code to
start your search.**
