

Training with Trivia!

A Treasure Trove of Sterile Processing Knowledge!

STERILE PROCESSING WEEK | OCTOBER 13 - 19, 2024

Test your SPD knowledge with our trivia games!

Come join the fun and test your sterile processing knowledge for a chance to win (1) one of our special SPD Week Treasure Packages. During the week we will be hosting 6 half-hour live trivia webinar sessions, each good for 0.5 CE credits approved by HSPA and CBSPD.

It's easy to register now to play!

1. You can register for (1) one session per day.
2. Review the QR Codes and select the best day and time to attend the webinar.
3. Complete the registration form to reserve your spot.

Each webinar is hosted by Belimed's US Clinical Education Manager, Randalyn Harreld.

Attend one of the sessions each day for your chance to win a special SPD Week treasure package from Belimed!

First, second, and third place gift package winners will be announced at the end of each session.

RULES: The top (3) three attendees placing first, second, and third during each session will win a prize package which will be mailed directly to your home address. Each winner will receive an e-mail to supply the correct mailing address for shipping. CE certificates will be emailed directly to the email address used when registering for the event on or before October 25th, 2024. **Attendees must complete 100% of each session and are eligible to earn only 0.5 CE credit per day and can only win (1) one prize package per day.**
